Competition Format and Rules

As of WED 17 JAN 2024

Youth Olympic Competition Format

The Winter Youth Olympic Games Gangwon 2024 Alpine skiing competitions consist of nine medal events as follows:

Men	Women	Mixed
- Slalom (SL) - Giant slalom (GS) - Super-G (SG) - Alpine combined (AC)	- Slalom (SL) - Giant slalom (GS) - Super-G (SG) - Alpine combined (AC)	- Mixed Team Parallel (TP)

All individual Alpine skiing events are run in an "against the clock" format, with the competitors attempting to cross the finish line in the fastest time. Races are timed to closest 0.01 of a second.

The super-G and alpine combined are referred to as the speed events. The competitors generate high speeds because the course is designed with longer runs and greater distances between the gates.

The alpine combined event consists of a super-G run and a single slalom run with both runs held on the same day. The order is usually super-G followed by slalom, but may be reversed. Giant slalom and slalom are referred to as the technical events, as the courses have more gates, and hence more turns.

The Mixed team parallel is conducted as a parallel giant slalom race. A team consists of two competitors (one man and one woman) from the same NOC. The top 16 NOCs who scored the highest points at the Marc Hodler Trophy of the 2023 FIS Junior Alpine World Ski Championships are qualified for the Games.

Differences between the FIS Junior World Championships and the Winter Youth Olympic Games

There are no major competition format differences between the FIS Junior World Championships and the Winter Youth Olympic Games. There are minor differences in the qualification criteria.

Changes since the Winter Youth Olympic Games Lausanne 2020

A separate super-G run will be run for the alpine combined event.

Sport Rules and Procedures

Enrolment of competitors and start list draw procedure:

Enrolment

The competitors are enrolled in each event according to their FIS points for the event.

They are grouped as follows: 1-15 (including all tied for 15th place), 16-all others with FIS points, competitors without FIS points.

Start list for slalom and giant slalom

First group (1-15): The best seven competitors will be drawn into start numbers 1-7 (including all tied for 7th place), and the remaining competitors will be drawn into start numbers 8 -15.

The second group will start in order of FIS points (no draw), except for the groups of competitors with the same number of FIS points who will be drawn.

The third group (those without FIS points) will be drawn.

Start list for super-G and alpine combined (run 1 = SG)

First group (1-15): The coach chooses the bib between 1 and 30.

Second group competitors (16-30) are drawn into unassigned start numbers 1-30.

If Run 1 of the alpine combined event is slalom, the procedure for a slalom event will be used.

In all the above cases, all remaining competitors with FIS points will have start numbers according to their enrolment placing.

Any competitors tied by FIS points will be drawn.

Competitors without FIS points will be drawn.

Start list for the mixed team parallel

The participating NOCs will compete in heats consisting of two pairs with the highest ranking NOC racing the lowest ranking NOC in the 1/8 Final (first round) (i.e. 1st ranked NOC against 16th, 2nd ranked NOC against 15th, etc.). Bibs are attributed based on the "Marc Hodler Trophy 2023" ranking (the best ranked NOC will be named team number 1 and given bib number 1). If a team does not start, the opponent team will automatically be qualified for the next round.

Tie Break Rules

Individual

Competitors who have identical accumulated finish times share their rank, but they are ordered by descending bib numbers.

Team

If there is a tie at the end of the heat (example 2:2) the team with the lowest combined time of the woman's best individual run and the man's best individual run will win the heat.

If the tie remains, the lowest combined time of the woman's second best run and the man's second best run will win the heat.

If the teams cannot be separated by combined times, the team with the fastest single time (woman's or man's) will win the heat.

If the teams cannot be separated by fastest time, the team with the lowest team number is declared the winner of the heat.

If the teams cannot be separated by fastest time in the Big Final or Small Final, the teams will share the same rank but will be ordered by descending bib number.

Penalties / Disqualification Rules

There are no time penalties.

Disqualification rules are defined in the FIS rules.

Protests / Appeals

Protests must be submitted in writing, in one of the official FIS languages. A protest is considered if it is submitted no later than 15 minutes after the end of the competition to the jury members and is accompanied by a deposit of CHF 100 or equivalent.

The competition jury will handle protests in accordance with FIS rules and regulations.
