Competition Format and Rules

As of FRI 26 JAN 2024

REVISED
26 JAN 19:00

Youth Olympic Competition Format

There are four events in the Winter Youth Olympic Games Gangwon 2024 Ice Hockey competition: Women's 6-team Tournament, Men's 6-team Tournament, Women's 3-on-3 Tournament and Men's 3-on-3 Tournament.

Women's / Men's 6-team Tournament:

In both tournaments the competition is played with six teams over two rounds; the preliminary round and the play-off round.

In the preliminary round the six teams are seeded into two groups, A and B, to play each other once within their group. There are six games in the preliminary round. Ranking in each preliminary round group is determined by game points on the following basis (three point system):

- 3 points for the winning team at the conclusion of regulation time
- 1 point for both teams at the conclusion of regulation time if the game is tied
- 1 additional point earned for a team winning the game in a penalty-shot shootout, if the teams are tied following conclusion of the regulation time
- 0 points for the team losing the game in regulation time

The top two teams in each group qualify to the semi-finals with the pairings A1-B2 and B1-A2 and the remaining teams are ranked according to number of points, goal difference, goals scored, pre competition seeding. The play-off-round consists of the semifinals and the medal games. The Directorate will determine which semifinal is played first.

The winners of the semifinals will advance to the gold medal game and the losers to the bronze medal game. The better ranked team of the preliminary round is the home team in each of these games.

Each team is allowed a maximum of 15 players and three goalkeepers.

Women's / Men's 3-on-3 Tournament:

In both tournaments the competition is played with eight participating teams in two rounds; the preliminary round and the play-off round.

The preliminary round consists of one group of eight teams in which all teams play against each other. There are 28 games in the preliminary round. Ranking in each preliminary round group is determined by game points on the following basis (three point system):

- 3 points for the winning team at the conclusion of regulation time
- 1 point for both teams at the conclusion of regulation time if the game is tied
- 1 additional point for a team winning the game in a penalty-shot shootout, if the teams are tied following conclusion of the regulation time
- 0 points for the team losing the game in regulation time

The top four teams in the group qualify to the semifinals and the remaining teams are ranked based on the standings after the preliminary round (round ranking, number of points, goal difference, goals scored, pre competition seeding)

The winners of the semifinals will advance to the gold medal game and the losers to the bronze medal game. The better ranked team of the preliminary round is the home team in each of these games and first v fourth will be the earlier semifinal.

Each team is allowed a maximum of 11 players and two goalkeepers.

Differences between the IIHF Ice Hockey World Junior Championships and the Winter Youth Olympic Games

6-team Tournament events: In the World Junior Championships, there are multiple age divisions for each gender. The competition format consists of a preliminary round (two groups of five or six teams), a relegation round and a final round.

3-on-3 Tournament events: There are no 3-on-3 events at the World Junior Championships.

Changes since the Winter Youth Olympic Games Lausanne 2020

The 3-on-3 events are no longer Mixed NOC events.

Sport Rules and Procedures

Game description:

Women's / Men's 6-team Tournament:

A 6-team Tournament game consists of three 15-minute periods of play, during which players are rotated frequently, with a 15 minute rest between periods and penalty-shot shootout if the game is tied at the conclusion of the regular time.

Women's / Men's 3-on-3 Tournament:

A 3-on-3 game consists of three 15-minute periods of play with two minutes rest between periods and penalty-shot shootout if required.

Each team has three lines; one line with three skaters and two lines with four skaters. During a game, the lines with four skaters constantly rotate turns on shifts with one always resting a shift.

There are 60 shifts played in each game. Forty five seconds after the initial puck-drop, a buzzer signals a line-change. The skaters on the ice cannot touch the puck after the buzzer and they must immediately skate to the player bench. The next line, when the buzzer signals the line-change, can immediately enter the ice and continue playing.

The goalkeepers can change at any line change.

There are no face-offs between line-changes.

There are no penalty shot calls during the game. If a minor penalty is called the play may or may not continue without stoppage of the game flow. The penalty is served in the next shift by the next line. In case of more than one penalty is to be served in the last shift of the game, the end of game penalty scenario is to be followed. For every remaining penalty that cannot be served in the last shift, the opposing team receives one penalty shot

Tie Break Rules

Women's / Men's 6-team Tournament:

- If any game is tied at the end of regulation time, then the penalty-shot shootout procedure applies:
 - Three different skaters from each team will take alternate shots, until a decisive goal is scored
 - If the game is still tied after six shots it will continue under a sudden-death format in which one skater from each team alternates shots until a winner is determined

Women's / Men's 3-on-3 Tournament:

- If any game is tied at the end of regulation time, then the penalty-shot shootout procedure applies:
 - One skater from each team alternates shots until a winner is determined (sudden-death format)
 - The penalty shots cannot be taken by the same player until all other skaters have taken one. If all skaters have taken a penalty shot, the procedure starts from the beginning. Goalkeepers change after every penalty shot.

All events:

- The IIHF three point system is used during the preliminary round. If there are teams tied with the same number of points at the end of the preliminary round, IIHF tie breaking rules are applied to determine qualification to the semifinals as follows:
 - If two teams are tied with the same number of points, the winner of the game between the two teams is ranked higher
 - If three or more teams are tied on points, then a tie breaking formula will be applied as follows, creating a sub-group amongst the tied teams. This process continues until only two teams remain tied. The game between the two remaining tied teams is then used to break the tie between these two teams.

Step 1: A sub-group is created ranking the teams by points awarded only in the games between the tied teams.

Step 2: If the teams remain tied then the goal difference in the games between the tied teams will be used to break the tie.

Step 3: If the teams remain tied then the highest number of goals scored by these teams in the games between the tied teams will be used to break the tie.

Step 4: If three or more teams remain tied then the results between each of the three teams and the next best ranked team outside the sub-group will be applied. In this case the tied team with the best result (1. Points, 2. Goal difference, 3. Goals scored) against this team will take precedence.

Step 5: If the teams remain tied, then the results between each of the three teams and the next highest ranked team outside the sub-group will be applied.

Step 6 for the Women's / Men's 6-team Tournament: If the teams remain tied after these five steps then Sport considerations will be applied, and the teams will be ranked by their pre competition seeding.

Step 6 for the Women's / Men's 3-on-3 Tournament: If the teams remain tied after these five steps then Sport considerations will be applied, and the teams will be ranked by their pre competition seeding

Penalties / Disqualification Rules

The following types of penalties may be imposed during a game for the 6-team tournaments events:

- Minor penalty (90 seconds)
- Bench minor penalty (90 seconds)
- Major penalty (five minutes)
- Misconduct penalty (10 minutes)
- Game misconduct penalty (balance of the game, with substitution allowed immediately)
- Penalty shots (A "Penalty Shot" is designed to restore a scoring opportunity which was lost as a result of a foul being committed by the offending Team, based on parameters set out in the playing rules.)

A player or a team can be suspended for one or more games due to breach of the IIHF rules (including doping).

Note:

KAZ Player #3 - MAKYSH Bexultan suspended for game #18 TPE vs. KAZ

The IIHF Disciplinary Panel appointed by the IIHF Council decided on January 22, 2024 to suspend player MAKYSH Bexultan (KAZ) for one game. The suspension is due to a kicking incident from game #14. The player will be suspended for the game #18 TPE vs. KAZ. According to the IIHF rules, this suspension only impacts this specific athlete and does not affect the team's achievements as such.

Official Communication

Item: 2

Game 2 slightly delayed due player bench door repair

At the time 12:54 in the 1st period at the player bench of team SUI a screw got loose at the dasher board which was fixed/repared from the Ice Maintenance team. Both teams were sent to their dressing rooms and the remaining playing time from the 1st period was played before the start of the 2nd period. It is not expected that the game will be further delayed due this incident.

Sport Terminology

As of FRI 19 JAN 2024

Term	Definition
Assist	Pass or passes that immediately precede a successful scoring attempt. A maximum of two assists can be credited for one goal.
Attacking Zone	Area between the puck carrying teams offensive blue line and the end boards in the 6 team event. In the 3-on-3 event it is the opponents half as seen from the own team.
Backcheck	Attempt by a player, skating back to the defensive zone, to regain the puck from the opposition by checking or harassing an opponent who has the puck.
Backhand	Shot or pass made with the stick from the left side by a right-handed player or from the right side by a left-handed player.
Back Pass	Pass in the direction of a player's own goal while the team is moving forward, usually to maintain puck control.
Blind Pass	To pass the puck without looking at the intended recipient.
Blocker	Goalkeeper equipment worn on the hand holding the stick, used to block shots on that side.
Blue Lines	Two blue, 30 cm-wide lines running parallel across the ice, each 18.3 m from the goal. They divide the rink in the 6 team event into three zones called the attacking, defending and neutral (or centre) zones. The defending blue line is the closer to a player's own net, while the attacking blue line is the one farther from a player's net and is used in determining an offside.
Boards	Glass fibre wall ideally 1.07 m high as measured from the ice surface, which encloses the playing surface; all rinks have Protective glass that rises above the boards to provide additional protection.
Body Check	A player using the body to make physical contact with an opponent. Normally made with either a hip or shoulder/upper body (the only legal moves) with the aim of gaining possession of the puck from an opponent. It is only allowed against an opponent in control of the puck or against the last player to control it. (This is not allowed in the women's event nor in the male/female 3-on-3 event.)
Breakaway	Fast break in which an attacker with the puck skates in alone on the opposing goalkeeper, having skated past or clear of all other opponents.
Captain	Player representing the team with the privilege to ask the game officials questions.
Catching Glove (Catcher)	Special goalkeeper's glove worn on the non-stick hand, which is intended to catch or stop shots.
Centre	The central player on the forward line who usually leads the team's attack when it is trying to score a goal. This player also takes part in most of the face-offs for their team.
Centre Face-Off Circle	Circle, measuring 9m in diameter, at the centre of the ice, where the puck is dropped in a face-off to start each period of play and to restart the game after a goal has been scored.
Centre Ice	Area between the two blue lines in the 6 team event, also called the neutral zone.

Term	Definition
Centre Line	Red, 30 cm-wide line across the ice, midway between the two goals, which is used primarily to determine icing calls. In the 3-on-3 event it is dividing the playing field in 2 half's creating one attacking and one defending zone for a team.
Check or Checking	Any contact initiated by a defending player against an opponent to prevent any advance towards the goal. There are two main types of checks: stick checks and body checks. These are allowed only against a player in control of the puck or against the last player to control it immediately after giving it up. Checking after too many steps or strides becomes charging. There is never a legal check towards an opponent's head or neck area.
Classification Game	Game between two teams, out of medal contention, to determine final tournament ranking.
Clearing the Puck	Getting the puck out of one's own defensive zone.
Clearing the Zone	In the team event, when the puck comes outside the blue line, all the attacking players must also skate outside the blue line to avoid being called offside when the puck enters the zone.
Crease	Semi-circular area on ice (painted blue) in front of each goal. Players are allowed to pass through but not establish position in this area designated to protect goalkeepers and allow them a fair opportunity to stop the puck.
Cross Bar	Horizontal bar connecting the tops of the two goal posts, 1.22 m above the ice surface.
Deke or Deking	When the puck-carrier feigns a move to make an opponent shift in one direction while the puck-carrier then quickly moves the opposite way.
Defenders	Two of the six players of one team in the 6-team event on the ice whose priority in the defensive end is to stay close to the goalkeeper and help prevent goals.
Defensive Zone	The area inside a team's own blue line in the 6-team event until the end boards behind its own goalkeeper. In the 3-on-3 event it is the own half.
Deflection	A pass or shot that is redirected intentionally or otherwise with either a stick or any part of the players body.
Delayed Penalty	Penalty against a team that has only three skaters on the ice. The start of the penalty only begins when one of its players gets out of the penalty box.
Delayed Whistle or Delayed Call	When a referee indicates a penalty but does not blow the whistle because the non-offending team is still in possession of the puck. Only when the offending team gains control of the puck does the referee stop play to assess the penalty. This is also used by the linesperson when indicating a player that is in a offside position and has entered the attacking zone prior to the puck.
Delay of the Game	Minor penalty imposed on any player who purposely delays the game in any way, such as shooting or batting the puck outside the playing area or displacing a goalpost.
Directorate	The Directorate is an executive body of the event with the responsibility of conducting a tournament or competition. The Directorate is lead by the assigned chairperson for the event.
Double Minor	Two concurrent minor penalties assessed to the same player and for one infraction (as example a high-sticking could lead to a double minor).
Drop Pass	When the puck carrier leaves the puck for a crossing or trailing teammate to pick up, either for an immediate shot or to further advance the puck.

Term	Definition
Empty-Net Goal	Goal scored against a team that has pulled the goalkeeper.
End Boards	Boards at each end of the rink.
Face mask	Protective mask worn by all participants to protect the face of skaters and goalkeepers. Could either be designed as a cage of metal or a full face shield of plastic material.
Face-Off	Method of starting play when the official drops the puck between the sticks of two opposing players standing one stick-length apart with stick blades flat on the ice. It is used to begin each period and to resume play after a whistle during periods.
Face-Off Circles and Spots:	Various circular spots on the ice where an official and two players hold a face-off to resume play. There is one blue face-off circle and four red face-off spots located in the neutral zone. Two red face-off circles are located at each end of the ice. For 3-on-3 event there is no use of circles and spots besides from the opening face-offs for each period. Face-offs are conducted at a location decided by the game officials.
Field of Play	Includes the ice surface, players' benches, scorekeeper's bench, penalty benches, all boards and glass.
Five Hole	Space in between the goalkeeper's legs. Derived from target practice sheets used to cover the mouth of the Ice Hockey goal, which have a hole in each of the four corners of the goal. A fifth hole is where the space between the goalkeepers' legs would be.
Forecheck	To check or harass an opponent who has the puck in the defensive zone, the purpose of which is to create a turnover.
Forehand	A shot or pass taken from the right side by a right-handed player or from the left side by a left-handed player.
Forward Line	Consists of two wings (right and left) and a centre in the 6-team event. These three players play nearer the opponent's goal and are responsible for most of the scoring. Teams generally employ four forward lines during a game on a rotating basis, at the coach's discretion.
Forwards	The three players who make up the forward line of a team in the 6-team event: The centre, and the right and left wings.
Freeze the Puck	By a player(s): To hold the puck against the boards with the skate or stick to stop play. By a goalkeeper: To make a save and hold the puck long enough to stop play.
Full Strength	When a team has a full complement of six players on the ice.
Goal Net	A 1.83-metre wide by 1.22-metre high tubular steel frame consisting of a cross bar and two goalposts to which a net is attached.
Goal Crease	See "Crease".
Goal Line	A 5 cm wide red line between the goalposts that stretches in both directions to the sideboards.
Goalkeeper	The heavily padded player who guards the goal and attempts to prevent opponents from scoring by stopping the puck any way possible.
Goalposts	The metal bars that frame the area to which the net is attached, which rests on the centre of the goal line, and between which a puck must pass to score a goal.

Term	Definition
Hat Trick	Three goals scored by a player in one game.
High Stick	Batting the puck while the stick is above the height of the crossbar, resulting in a whistle if the offending team touches the puck or resulting in the nullification of a goal if the batted puck enters the net.
Ice Resurfacer	A large vehicle used to clean and smooth the surface of an ice rink. Also colloquially referred to as a 'Zamboni', although this is a brand name.
Icing	A violation that occurs when the team in possession of the puck shoots it from behind the red centre line across the opponent's goal line (but not into the goal) without a player from either side touching the puck. If a member of the opposing team has the possibility to touch the puck it first at the latest point by the hash marks, play will be halted and a face-off will occur in the offender's defensive zone. If the attacking team has the possibility to be the one that could touch the puck first or the officials deem the defending team had reasonable opportunity to play the puck, no icing will be called. A short-handed team cannot be called for icing.
Intermission	A recess between each of the three periods of an Ice Hockey game. During this time the teams rest in their respective locker room and the ice is resurfaced.
Lane	A specific section of ice in which no opponent can be found and to which players are encouraged to skate to receive a pass or skate unobstructed.
Line Change	The substitution of any or all players either as play continues or during a stoppage in play, usually involving the three forwards.
Linespersons	The on-ice game officials assisting the referees in their duties on the ice. There is one linesperson toward each end of the rink, responsible for monitoring infractions of the rules concerning offside plays at the blue lines and for any icing violations. They conduct most of the face-offs, sometimes advise the referee concerning penalties, and separate players who are fighting.
Neutral Zone	Area between the two blue lines.
Off-ice officials	The officials who assist the on-ice officials in conducting a game. They comprise the game and officiating coaches, the goal judges, the scorekeeper, the scorekeeper assistants, the timekeeper, the announcer and the penalty box attendants.
On-ice officials	The assigned officials responsible for the conduct of the game in accordance with the official rules and for maintaining discipline and order on the ice during the game. They are the Referee and Linespersons.
Offside	A violation that occurs in the 6-team event when both skates of an attacking player cross the opponent's blue line before the puck is passed or carried into the attacking zone. Also called when a player passes the puck from his or her defending zone to a teammate across the far blue line.
Olympia	A brand name of an ice resurfacer.
One-timer	An immediate shot off a teammate's pass.

Term	Definition
Penalty 6 team event	Punishment for a violation of the rules that usually results in the offending player (or a player from the offending team) being required to serve time in a penalty box off the ice, or the other team being allowed to attempt a penalty shot. Penalties are divided into the following categories in the 6 team tournament events showing the time to be served: - Minor penalty (ninety (90) seconds) - Bench minor penalty (ninety (90) seconds) - Major penalty (five (5) minutes, can lead to an automatic game misconduct in certain penalties) - Misconduct penalty (ten (10) minutes) - Game misconduct penalty (balance of the game, with substitution allowed immediately) - Penalty Shoot (A "Penalty Shot" is designed to restore a scoring opportunity which was lost as a result of a foul being committed by the offending Team, based on the parameters set out in the playing rules)
Penalty 3-on-3 event	There are no penalty shot calls during the game. If a minor penalty is called the play may or may not continue without stoppage of the game flow. The penalty is served in the next shift by the next line. In case of more than one penalty is to be served in the last shift of the game, the end of game penalty scenario is to be followed. For every remaining penalty that cannot be served in the last shift, the opposing team receives one penalty shot.
Penalty Box	Boxes located near centre ice on the side opposite to the players' benches (one for each team) where penalised players must remain until their penalty time has expired or until a power-play goal is scored (excepting game misconduct and match penalties, for which a player is barred from the playing area immediately).
Penalty Killing	The team that is short of one or two players due to penalties is engaged in penalty killing. Strategies to wait out the penalty time safely include shooting the puck down the length of the ice or making a "box" formation (four skaters), or "triangle" formation (three skaters) inside its own blue line to try to defend against five opposing skaters.
Penalty Shot	An undefended shot awarded to a team if: (a) a player is fouled while on a clear break in on goal; (b) a defending player other than the goalkeeper covers the puck with a glove in the crease; (c) a defending player intentionally knocks the goal off its moorings with less than two (2) minutes left in a game.
Penalty-Shot Shootout	If a game remains tied at the conclusion of the overtime period, it will be decided by a Penalty-Shot Shootout.
PIM	Abbreviation used to indicate a player's total penalties in minutes.
Plus/Minus	Statistic accounting for goals scored for and against a player's team while the player is on the ice. When a goal is scored for a player's team while the player is on the ice it is counted as +1. If a goal is scored against a player's team while the player is on the ice it is counted as -1. The total for the player is known as plus/minus. Team goals accrued during the power play does not count toward this statistic, and plus/minus is not calculated for goalkeepers.
Puck	Black, vulcanised rubber disc, 2.54 cm thick and 7.62 cm in diameter, weighing between 155 and 170 g used to play Ice Hockey. Pucks are frozen to prevent excessive bouncing and changed throughout the game.
Puck out of play	Puck that flies out of the rink, forcing a stoppage in play.

Term	Definition
Pulling the Goalkeeper	Removing the goalkeeper from the ice in favour of an extra skater. This tactic leaves the goal unguarded so is only used as a last minute attempt to score in the closing minutes of a game. Also used during a "Delayed Whistle" or "Delayed Call Penalty" by the non-offending team, safe in the knowledge that officials will blow the whistle as soon as the offending team touches the puck.
Rebound	Shot that bounces off the goalkeeper's body or equipment, free to be claimed by the offensive team again.
Referee	The on-ice game official responsible for the conduct of the competition in accordance with the official IIHF rules and for maintaining discipline and order on the playing field during the game.
Regulation Time	Regulation time for a game is forty-five (45) minutes for the 6-team Tournament events games and forty-five (45) minutes for the 3-on-3 Tournament events games.
Roster	List of players on a team for a particular game or tournament.
Round	This is the progression system in competition. Ice Hockey consists of the following rounds: Preliminary round and Play-off round.
Save	The act of a goalkeeper blocking or stopping a shot that would otherwise have been a goal.
Screen Shot	Shot on goal that the goalkeeper cannot see because it came from behind one or more players from either team standing in front of the net.
Shift	Time a player is on the ice between breaks on the bench. Most shifts last ninety (90) seconds or less.
Shorthanded	When a team is short of one or more players, who are off the ice in the penalty box, and the opposing team has its full complement of six players or has one more player on the ice (five-on-four or four-on-three are the most common such situations). This situation is a power play for the other team.
Shot on goal (SOG)	A shot that either goes into the net, or would have gone into the net had the goalkeeper not made a save. Hitting the post or crossbar does not count as a shot on goal.
Sideboards	Boards along the sides of the rink.
Slap Shot	Shot in which the player raises the stick in a backswing to approximately shoulder height prior to shooting. A slap shot can reach speeds of up to 160 km/h but is less accurate than a wrist shot.
Speed	A quickness to attack that will limit the reaction time of the defenders and force defensive error.
Substitution	Occurs when a player comes off the bench to replace a player coming out of the game. Substitutions can be made at any time and play does not need to stop.
Sudden Death	Overtime period that ends as soon as one team scores a goal, determining the winner and finishing the game.
Sweater	A player's jersey. So-called because when hockey was originally played outdoors, the uniform was made of wool.

Term	Definition
Transition	The ability of a team to quickly move from offence to defence and vice versa.
Waved off	Goal ruled invalid by the referee or the waving off of an infraction by the linespersons.
Wraparound Goal	When an offensive player swings around from the back of the net to the front and attempts to quickly push the puck into the net between the goalkeeper and the bottom corner of the net.
Wrist Shot	Shot using a strong flicking of the wrist and forearm muscles, with the stick blade kept on the ice. Slower but more accurate than a slap shot.
Zones Team Event	Three areas defined by the two blue lines. The attacking zone is the area inside the blue line farthest from the goal a player is defending. The neutral zone is the central area between the blue lines. The defending zone is the area inside the blue line where a player's goal is and where the team's goalkeeper is positioned.
Zones 3-on-3 Event	Two areas defined by the centerline. The attacking zone for a team is the zone of the defending team and the defending zone is the zone of the own team where a players goal is and where the teams goalkeeper is positioned.
